Vajazzling is the art of applying genuine Swarovski crystals to the body and bikini area (usually after hair removal)

Beauty Salons in New York City have been Vajazzling for years, but it has only been since early 2010 that Vajazzling has exploded in popularity around the world

Vajazzle Body Crystals are safe to use on skin and are the perfect sparkly add-on service for salons. Introduce Vajazzling to your list of beauty services today!

Vajazzle Body Crystals are packaged with: 1 Swarovski crystal tattoo design & instructions Priced From R100

**About the Tattoos:**

- 100% genuine Austrian Swarovski crystals
- Each self-adhesive 3mm crystal has a flat back & specially cut for use on the body
- Last 5-10 days or more on the skin
- Waterproof (including swimming)
- Allergy tested and dermatologist approved
- Great range of designs and colours

**How to apply:**

- 1 Simply peel off the white backing sheet of the tattoo & press the crystals to the skin
- 2 Firmly press the tattoo to ensure each individual Swarovski crystal sticks to the skin
- 3 Gently peel off the plastic sheet
